**Vision: To Create Competent Pharmacy Professionals who shall Contribute for betterment of healthcare services**

### **Our Management :**

**ESTABLISHMENT:** The trust was established on 1st June 1945 and registered under Society Registration Act 1860 with the registration number 1527. The registration number of the trust is F-26 under the Mumbai Public Trust Act 1950.

**FOUNDER:** Late Karmaveer Bhausaheb Hiray.

**OBJECTIVE:** To provide the educational facility to backward and tribal people of Maharashtra State for bringing in their educational and economic development to enhance their lifestyle.

**HISTORY:** Late Educationalist Karmaveer Bhausaheb Hiray established the trust on 1st June 1945. He saw that the condition of the backward as well as the tribal people was same before and after the Independence. It inspired him to establish this trust for the betterment of such people. He started various schools in remote areas of Nasik district which didn't have even the basic facilities. By sensing the economic inability of the tribal people, he started residential schools and hostels too. He has been an active politician in Maharashtra and has worked as the Revenue Minister of Maharashtra State. He is best known for the Kul Kayada (an Act related with farmers) during his tenure as a Revenue Minister. Unfortunately the trust suffered from a great loss after his sad demise on 6th June 1961. After the sad demise of Late Karmaveer Bhausaheb Hiray, his son Late Vyankatraoji Bhausaheb Hiray took over the responsibilities of the trust. He started many units along with the construction of various well equipped buildings within and outside Nasik district during the two decades of 1961 to 1980.

After the sad demise of Late Vyankatraoji Hiray in a fatal accident, his wife Smt. Pushpatai Hiray became the President of the Trust. During the tenure of Smt. Pushpatai Hiray and her son Dr. Prashant Hiray, the trust celebrated its Golden Jubilee year. The challenge in imparting quality education in this era of competitive globalization is now ably met by Hon'ble Smt Pushpatai Hiray, Hon'ble Dr Prashant V Hiray, Hon'ble Dr Aapoorva P Hiray and Hon'ble Dr Advay P Hiray. Today the trust is one of the pioneering educational institutes for the economically backward and tribal people in Maharashtra.

### **ASS's IIPT**

The trust was set up in the year 1972, as a self-financing Diploma pharmacy college. Over the years, ASS's, IIPT has carved a niche for itself in the field of Pharmaceutical education. The Trust is equipped with the most modern laboratories, computer labs, learning resources and other facilities to provide a platform to bring the best out of its students. The Institute provides an excellent academic environment with modern infrastructural facilities, experienced and highly qualified faculty capable of training aspiring students to become socially responsible Pharmacists. We are thrilled to welcome you to our dynamic learning community. Our ultimate goal is the students should be able to apply their learning and transfer the knowledge and skills they are acquiring through their curriculum. Students and faculty at IIPT are motivated to bring their best efforts each day because they are surrounded by high levels of commitment to excellence. Our students represent the promise of what the youth of today, bring to the future.
